This Certificate of Conformity is based on documentation of the product. Above mentioned Documentation of the product has been evaluated. Based on documentation the product has been found to be in conformity with the above-mentioned standard(s) and applicable parts of the Annex I of the Machinery Directive (2006/42/EC).  
 It does not imply an assessment of the whole production or fulfilment of other additional requirements in the Directive.  
 If a standard mentioned on this Certificate is withdrawn or removed from the list of harmonised standards under the Machinery Directive (2006/42/EC), a re-evaluation is needed.  
 This certificate can be used to demonstrate product compliance until 11 September 2025 with the presumption that standards mentioned remains valid. Surveillance activities are not part of this certificate.  
 It is the obligation of the certification holder to demonstrate upon request that the product produced is identical to the certified product. Use of the CE marking requires actions set in Article 5 clause 1 of Machinery Directive (2006/42/EC), completion of an EU Declaration of Conformity, internal production control (Annex VIII, item 3) and compliance with all relevant EU Directives.
